

SECOND METER CONTRACT

THIS CONTRACT, by and between the City of Prescott ("City") and _____, ("Resident," whether one or more), is hereby entered into as a "Second Meter Contract" for the purpose of allowing the Resident to purchase a water meter ("Meter") for lawn sprinkling, pool filling, and other similar non essential uses, and said parties agree as follows:

1. The cost of the Meter, to be paid in advance by the Resident, is the sum of \$ 300.00. This is the cost for the Meter (including certain components and shipping and handling), and does not include installation cost. **The Meter SHALL BE PROPERLY INSTALLED AT THE EXPENSE OF THE Resident by a certified plumber. If this meter is being used for an irrigation system a Wisconsin licensed plumber must also install a back flow preventer per Wisconsin State Plumbing Code.** All repairs to the meter shall be the expense of the Resident and shall be promptly and properly performed as a condition of continued use of the Meter.
2. Resident will pay a quarterly charge to the City as determined by the City, which cost is currently \$10.25 per quarter. In addition, Residents will pay the cost of usage per gallon as determined by the City, which cost is currently \$1.75 per one-thousand (1,000) gallons. These rates shall be changed from time to time by the City Council made upon public notice as required by law.
3. This City and its employees shall be allowed to enter the property and to inspect the Meter, for calibration and for any other purpose, as deemed necessary by such employees.
4. Once purchased, the Meter shall only be installed at the address set forth below and shall not be used nor installed elsewhere without the written consent of the City. The meter shall transfer with any transfer of the subject property pursuant to the terms of this Contract. All property owners or persons who have a legal interest in such property, now or in the future, shall execute this Contract and shall be bound by the terms hereof.
5. The Meter shall be used for the use of the Resident and the Resident's immediate family only, and shall further only be used to service such uses at the specific parcel of property at which the Meter is installed.
6. Residents may return a sprinkler meter for refund if the following conditions are met:
 - a) the is returned within 90 days of the purchase
 - b) the meter has not been connected or used;
 - c) the meter is undamagedAny meters that have been used or connected will not be eligible for a refund. The refund if applicable will be for the amount of the meter and coupling only.
7. The life of the Meter shall be ten (10) years at which time Resident will remove the Meter and, if a new Meter is desired by Resident, a credit will be given for trade in at a value determined by the City Council not to exceed twenty-five percent (25%) of the new Meter purchase price.

I further understand that tampering with, physically altering or any activity that attempts to or alters the meter in anyway is a criminal offense and violators will be prosecuted to the full extent of the law.

I further understand that in order to receive this second meter, my main water and Sewer bill must be paid current.
